Subject - Revision of the scales of pay of certain
establishments at Kankanally Town Municipality
000 -

Sir,

I have the honour to forward herewith the consolidated proposals for the revision of the scales of pay of certain establishments of Kankanally Town Municipality as per instructions conveyed by Government in their Official Memorandum No L 10396-10407/M1 117-41-28, dated 30-4-1942

2 The appointment of the Assistant Sanitary Inspector in the grade 25-1-35 had been sanctioned as a temporary measure in Government Order No L 2149-50/M1 78-35-14, dated 17-9-1936 The appointment has been continued till now on the authority of budget provision without obtaining separate sanction This irregularity was pointed out to the Municipal Council They have resolved in their meeting held on 31-7-42 that the services of an Assistant Sanitary Inspector are very necessary to Kankanally Town and therefore requested that sanction of Government may be obtained for making the appointment permanent after ratification of the action of the Municipal Council in having continued this post till now, without definite orders of Government

3 An allowance of Rs 2/- per mensem is being paid to the Municipal clerk for operating the Radio every day since October, 1941 This ~~expenditure~~ expenditure is also incurred on the authority of budget provision during the years 1940-41 and

41-42,

41-42, without obtaining separate sanction of Government which is irregular. The Municipal Council have resolved at their meeting held on 31-7-1942 that sanction of Government may be kindly obtained to the payment now and also to the ratification of the payments already made since October, 1941.

4 The Municipality has located the Octroi Koti in the rented building at Rs ^{4/-} ~~4/-~~ per mensem since 1929-1930. It is reported that apart from the resolution of the Municipal Council dated 4-3-1930 (herewith enclosed) there is no other authority for this expenditure. There is also an audit objection to the procedure adopted. The Municipal Council have resolved at the meeting held on 31-7-1942 that sanction of Government may be obtained to this expenditure which was all along being incurred on the strength of mere budget provision. The irregularity has also been pointed out to the Municipal Council.

5 The Municipal Council had engaged the services of a Thoti for Tom tom work on a monthly remuneration of annas eight. It is reported that formerly a fee of annas four per each Tom to was being paid to the Thoti, but, that, the procedure was change to fixed monthly remuneration of 0-8-0. On the prayer of the Thoti for increased allowance on account of present day hard conditions, the council have resolved at their meeting held on 31-7-1942 that the allowance may be raised to Re 1/- per mensem with the sanction of Government. There is no competent sanction for this expenditure also apart from the budget provision. The Amildar President reports that the service of a thoti for tom to work is very necessary.

6 The pay of the conservancy Daifedar in this Municipality is fixed at Rs 12/- as per G O No L 1679-80-M1-240-30-18, dated 3-9-31. The present incumbent Rama Raju is reported to be doing satisfactory work from a long time. The Municipal Council have resolved at their meeting held on 1-5-42 that the pay of the conservancy daffedar may be raised to the grade 12-1-15 with effect from 1-7-1942, after obtaining Government sanction as an incentive to good work. The expenditure is covered by budget.

budget provision As this is a reasonable request, I recommend that the proposal of the Municipal Council may be sanctioned

7 Lastly the Municipal Council request sanction to the ~~x~~ appointment of a temporary peon on Rs 6/- to look after the Municipal drinking water pond and also park It is reported that the existing staff cannot cope with ~~ix~~ this work and that the separate appointment is necessary The expenditure has been covered by budget provision and the appointment has not yet been made The Proposal of the Municipal Council may be sanctioned ~~as~~ a temporary measure

The connected records are enclosed in respect of items Nos 4, 5, 6 and 7 noted above In these circumstances, I request that sanction of Government may be kindly obtained to the above proposals of the Municipal Council

I have the honour to be,
Your most obedient servant,

BS Suryanarayana
